Need A Mouthguard?

Have One Professionally Fitted By The San Jose Stealth Team Dentist

FREE Mouthguard with Every New Patient Appointment

The Academy for Sports Dentistry recommends that all athletes in any sport, including hockey, boxing, martial arts, football, basketball, baseball, lacrosse, field hockey, and soccer wear a custom-fitted mouthguard made by a dentist.

The Advantages of Pressure Laminated Athletic Mouthguards:

- Precise adaptation for better retention
- Does not affect breathing, speaking or performance
- Custom designed depending upon sport
 - Can be made around orthodontic brackets
 - Absorbs and disperses impacts more predictably
 - Does not deform
 - Concussion deterrence
